

Intermediate English (B1) Online Course

What does “B1” level English mean?

With a B1 level you will have the linguistic competency to express attitudes, opinions and feelings. At this level, you can also demonstrate a practical level of English, ideal for daily communication needs such as ordering food or giving directions. A B1 level means that you have a basic ability to communicate with English speakers, which can open doors in your personal and professional lives.

The course will take place over **10 weeks**, with a total of **60 course hours**. To ensure quality and learning progress, all students will take a level test to check their English ability before starting the course.

How are courses organized?

To improve learning and progress, each unit is designed to follow this pattern:

- 1 **Warm up exercises** that introduce the subject in a clear and relatable way
- 2 **Video Explanations** of all lesson concepts, to understand easily and to practise Reading and Listening skills.
- 3 Multiple **exercises to practice** and reinforce learning. Some exercises are autocorrected while others will be corrected directly by your teacher. Personal feedback is key to learning!
- 4 At the end of each week, **"Speaking classes"** with your teacher are designed to reinforce and improve with your teacher

In the **virtual classroom** you will have all the resources necessary for the course along with direct communication (feedback and tutoring) from your English teachers.
